0172 201054
ecosportello@strweb.biz

OPENING HOURS

In the morning from Monday to Saturday from 8:30 to 12:30. In the afternoon: Tuesday from 13:30 to 15:00 and Thursday from 15:00 to 18:30.

WHERE WE ARE

The offices of the Ecosportello are located in Palazzo Garrone in Piazza Caduti per la Libertà 16 (right side courtyard entrance).

Aluminium Waste

branded spray cans • tinfoil • yoghurt lids made from tinfoil • toothpaste (metal tubes) • metal cage for closure, tinfoil cans, lids, sheets • beverage cans • bottle caps • metal closure • aluminium

bowls.

> Domestic Users: red sack, private collection bins if present, waste collection centers.

Massive Waste (Bulk Garbage)

> Possibility of home pick up for domestic client only - Call 0172 201054 or conferment to waste collection centers.

Glass

jars • glasses • bottles without closing • pitcher • cosmetics – empty glass packaging • empty yoghurt jars • glass carboy • window glass • glass plates.

> If you live in the historic centre, there's class bins for domestic use that get picked

up weekly. For non-domestic use they are collected at special points. In zone A and B (not in the historical centre) you find the so called „Campane Stradali“ the „road bells“, so called because of their shape - public glass collection bins.

Batteries

telephone batteries • batteries for household appliances (batteries).

> Orange container can be found at the collection center. Also you can find containers at schools.
